Termino is everything a great holiday should be – light, fun, adventurous and bright. Sleek and simple in design, Termino is a new generation of luggage, constructed from advance moulded polypropylene in a variety of colours. This adds some eye-catching and fun design to this collection.

- Made from hard wearing polypropylene in a clean and smooth shape offering more durability. New label with a unique pattern to reduce the visibility of scratches.
- Robust and lightweight holiday case. Weights start at 4,80 kg.
- The frame, locks and wheel handle are recessed for better protection during transport.
- The cases have a multi-stage pull handle and aluminium wheel handle tubes for extra lightness.
- Three-digit TSA lock for secure travel to the USA.
